

How to use this worksheet. Thirty questions mixed across all fifteen topics, with the answer key at the end. Attempt this as one steady pass, marking doubtful answers rather than stalling, then a second pass at the end.

Formula sheet

This is a full-section mock, not a single-topic drill — about 25 minutes for 30 questions
Grammar carries the most questions, matching its weight in the real exam, followed by
Vocabulary then Comprehension
If a question type feels shaky, note the topic and revisit that topic's dedicated worksheet

Section A · Grammar — Mixed topics, ten questions

Covers tenses, subject-verb agreement, articles and prepositions, active and passive voice, direct and indirect speech, spotting errors, and sentence improvement — two questions from each of the seven Grammar topics.
