

How to use this worksheet. Thirty questions, about 20 minutes, with the answer key at the end. AAI favours **French loan words**. In an INCORRECTLY-spelt question, look for the **definite** mistake rather than the option that merely looks unfamiliar.

Formula sheet

i before e except after c: believe, achieve, receive, deceive

Doubled letters worth memorising: accommodation, occurrence, millennium, unnecessary, possession

supersede is the only common word ending in -sede
